

**Ten Resolutions**  
**by Nash Rambler (BMI)**  
**© 2010, Michael J. Wierzbowski**

I'm gonna spend more time with my family and friends  
And a little less time on myself  
I'm gonna take my selfish attitude  
And put it on a shelf  
I'll take the kids out and buy new toys  
And I'll even play ball with the boys  
That's my resolution  
And that's what I'm gonna do

I'm gonna get fit and I won't quit  
Til I'm back in the shape I used to be  
I'm gonna build up muscles I never had  
That's gonna be the new me  
I'm gonna go to the gym gonna get real slim  
So you won't recognize the body I'm in  
That's my resolution  
And that's what I'm gonna do

I'm gonna trim this bulge and lose some weight  
I'm gonna go and diet you see  
This time I'm gonna stick to it  
And lose a couple pounds or three  
I'm gonna have to start eating right  
And get a little more sleep at night  
That's my resolution  
And that's what I'm gonna do

I'm gonna quit smoking this time I ain't joking  
Even if I could  
No more puffing them nasty things  
Gonna give up tobacco for good  
I'll see a doctor and get some pills  
I'm gonna stop smoking even if it kills (me)  
That's my resolution  
And that's what I'm gonna do

Here's another thing I oughta do  
Gonna enjoy my life more  
Working all those hours each day  
Has turned me into a bore  
I'll call in sick and take a vacation  
The beach that'll be my destination  
That's my resolution  
And that's what I'm gonna do

I'm gonna quit drinking no more thinking  
About giving up the booze  
No more two martini lunches  
No more couple of brews  
I'll be on the wagon in no time at all  
Say goodbye to alcohol  
That's my resolution  
And that's what I'm gonna do

I'm gonna get out of debt save some money  
And pay off all my bills  
Gonna make and stick to a budget  
And have no more financial ills  
I've got a sure fire plan don't you see  
I just gotta win the lottery  
That's my resolution  
And that's what I'm gonna do

I'm gonna make an effort to learn something new  
Maybe go back to school  
I might learn a foreign language  
To prove that I'm not a fool  
Spanish might be useful at the store  
But it ain't foreign no more  
That's my resolution  
And that's what I'm gonna do

I'm gonna help others that's all my brothers  
Let kindness show the way  
They say that all the good thing you do  
Come back to you some way  
I'm gonna lend a hand to those in need  
Every day I'll do a good deed  
That's my New Year's resolution  
And that's what I'm gonna do

I swear that I'll get organized  
Now that's a real change for me  
I'm gonna set a up a simple system  
I'll base it on A to Z  
I'm gonna stick with it till I die  
It oughta make my life easy as pie  
That's my resolution  
And that's what I'm gonna do

Now every year about this time  
I say a lot of things like this  
But this is the very first time  
I actually wrote a list  
Now it's all written down so do not fear  
It's ready to read again next yaer  
Those are my resolutions  
All ready for next year - and the year after  
All ready for next year
